

IMPORTANT NOTICE - ARGUS MOTOR INSURANCE RATE ADJUSTMENT

Dear Valued Client,

We are writing to advise you of an important update regarding your motor insurance policy. After a thorough review, we have determined that it is necessary to adjust the cost of our premiums. This adjustment is a result of a combination of factors, including the rising cost of claims, operating costs, and inflation.

Effective August 1, 2024, Argus Motor Insurance premiums will increase by 5%. This applies to all new policies and renewals from this date onwards.

We remain committed to providing you with comprehensive coverage and exceptional service. However, we understand that an increase in premiums can be difficult news to receive. If you have any questions, or if you would like to discuss opportunities to reduce your premium costs, please contact our team at **441-298-0888** or **insurance@argus.bm**.

Thank you for choosing Argus as your motor insurance provider. We value your trust and loyalty and are dedicated to meeting your insurance needs.

Sincerely,

Andrew Pell
Head of Property and Casualty, Argus Insurance Company Limited

It's easy to renew your policy online with Argus Vantage.
